 post shave

A non oily balm that soothes and re-hydrates.

A perfect post shave finish for men on the go. We use native aloe to soothe and quandong for vitamin C to produce a modern day Australian made version of this old favourite. Designed so that you won't feel oily or greasy just refreshed and ready for the day ahead.

Now that's smart.

Directions

Post shave. To calm, dab our balm in your palm and it will do you no harm. Smartmen will be able to pick the spelling mistake, and also after gently massaging balm in, just how refreshed your dial feels. Enough said.
